Material Review Request Form

Certified operations are responsible for verifying all input materials are allowed prior to use and added to their Organic System Plan Materials List.

To add a material currently approved by OMRI, WSDA, CDFA, or NOFA-NY, please contact us. We will confirm its current status and any restrictions that may apply.

To add materials NOT currently approved by OMRI, WSDA, CDFA, or NOFA-NY

- Complete below form.
- A review fee of \$65 per hour (15 min. minimum) will apply.
- Review decision will be provided in writing. If approved, material will be added to your OSP Materials List (restrictions on use may apply).

PLEASE COMPLETE FOR MATERIAL REVIEW REQUEST:

Timeline for decision is dependent on response from manufacturer and review does not guarantee approval.

Material Information:

1. Manufacturer: _____
2. Name, brand, and formulation of material (as applicable): _____

3. How used/Reason for Use: _____
4. Have you applied or used this material for organic production?
 Yes, list fields IDs/crops/animals used on: _____ No

***If material is on-site, please attach photo or copy of label/bag showing brand, manufacturer, and ingredient info.**

Comments: _____

Request to review

I request that NOFA-NY review above material above for compliance with the National Organic Program Regulations, understanding that I will be charged a rate of \$65 per hour (15 min. minimum) and that review does not guarantee approval of the material.
